

**Worldwide Operations and Worldwide Sales of the Notifying Group of
Natural Lather Industries, Inc.**

Natural Lather Industries, Inc. is a holding company incorporated in the Philippines with a portfolio of companies related to the manufacture of all-natural shampoos and conditioners. The companies in its portfolio are Gugo, Inc., MacDonald Farms, Inc., and Quetzal Aviary. The worldwide gross sales of its entire Notifying Group is Php 7,000,500,000.00.

Gugo, Inc. is a Philippine company engaged in the business of manufacturing, packing, and distributing all-natural shampoos and conditioners all carrying the tradename "*Virginia*". It distributes its products to all supermarkets and groceries nationwide through its fleet of eco-friendly vehicles and cargo ships. For the year 2016, Gugo, Inc. recorded Php 5,000,000,000.00 gross sales.

MacDonald Farms is a Philippine company engaged in the production of all-natural organic raw materials exclusively for Gugo, Inc. It propagates flowers, fruits, and essential oils in its farm in Laguna. For the year 2016, MacDonald Farms recorded its gross sales at Php 2,000,000,000.00.

Quetzal Aviary is a Cayman Islands company operating in Guatemala. It supports the Guatemalan government in its drive to preserve the Quetzal, their national bird. Natural Lather Industries, Inc. holds 35% of the shares in the aviary. The aviary nurses and houses the quetzal and provides a last frontier to these birds. For the year 2016, gross sales of Php 500,000.00 (as converted) was recorded by the aviary.
