

**Entities within Natural Lather Industries, Inc.'s Notifying Group that  
Have Vertical Relationships with Entities within  
Covalent Chemical Industries's Notifying Group**

Gugo, Inc. sources all of its plastic bottles from Friendship Plastics, Inc. The plastic bottles sourced are the 300mL, 500mL, and 1,000mL plastic bottles. Gugo, Inc. buys 200,000 plastic bottles monthly for each of the 3 different sizes from Friendship Plastics, Inc. at Php 500,000.00 for each of the 3 different sizes.

MacDonald Farms, Inc. is in a vertical relationship with Ion Chemicals since the products MacDonald Farms, Inc. provides are supply chain inputs in the business of manufacturing shampoos and conditioners by Ion Chemicals. Please refer to Appendices 5.4, and 6.3 through 6.5 for vertical relationships pertaining to MacDonald Farms, Inc.

We, however, inform the Commission that MacDonald Farms, Inc. does not sell any of its organic raw materials for the manufacture of shampoos and conditioners to Ion Chemicals.

Natural Lather Industries, Inc. is not aware of any other vertical relationship that exists between its Notifying Group and Covalent Chemical Industries's Notifying Group.
